To view the embedded repair movies in this document, video play back application such as Media Player is required.

If the movies appear to be jerky or blurred when viewing on-line, this is probably caused by the connection speed being too slow.

In that case, right-click with the mouse on the document name and select Save Target As to download the repair movie document for off-line viewing.

The movie is based on using H4413 model, the design differences between H3413, H4413 and H4493 are minor, therefore please refer to the Working Instruction for detailed instruction.
